### Description:

This project proposes to reconstruct NE 2nd Street between NE 10th Avenue and NE 16th Avenue. The consultant recommended alternative is for a curb and gutter roadway with 2 10' lanes, a sidewalk along the west side of the street, and a multi-use path along the east side of the street.

### Progress:

- The department is currently working on the project scope and once complete will coordinate with private consultant to begin design.
