**Design:**

JMJ Consulting Engineering

**Construction:** TBD

**Schedule:**

Construction is expected to begin in 2014.

**Description:**

Construct a new sidewalk on the west side of NW 23rd Terrace connecting NW 62nd Avenue to the newly installed sidewalk in front of Wal-Mart on NW 34th Boulevard. New LED pedestrian and roadway lighting will be installed along this segment of NW 23rd Terrace. This project will also include modifications to existing RTS bus stops for ADA compliance.

**Progress:**

- 90% design plans are currently under review by staff.
- Staff working with GRU on utility coordination.
